Loyalists and the American Revolution Re-enactment  
Fort George National Historic Site of Canada  
July 30 – August 1, 2010.

To whom it may Concern:

Parks Canada / Fort George National Historic Site is hosting a large scale re-enactment of life on campaign during the revolutionary war time period and has invited participation from all over the United States and Canada. This event helps support Parks Canada and the Niagara Sites with our mandate to protect and present early Canadian military heritage. Events such as this in particular help promote heritage as they tend to appeal to a larger and wider audience base.

For this re-enactment to be successful, we are completely dependant on the good graces of the re-enactment community in both Canada and the United States to be willing to travel at their own expense and volunteer their time to make our event special for the visiting tourists. The Re-enactment could not take place without this generous donation of time and we are very grateful to the re-enactment community for helping make this event a reality.

If there any questions or concerns about any individual or unit attending the event please do not hesitate to contact me.
